

# AGRICULTURE TECHNOLOGY INTERNSHIP

## ABOUT THE COMPANY

The Equity is an independent cooperative headquartered in Effingham, Illinois and has over 500 employees. Our market area currently includes 19 locations and covers South-Central Illinois and Southwest Indiana. The Equity has five divisions including: Agronomy, Grain, Feed & Livestock, Energy, and Retail Store, plus a Precision Agronomy dealership and Agriculture Spray Drone company. The Equity's mission is to deliver value to our customers through operational excellence, providing information, exploring opportunities, and supporting profitable roles for producers. Our core values, profitability, customer focus, constant improvement, integrity, and accountability have led to our success. These core values will continue to keep our company strong into the future. We hold sacred our brand promise of offering the best products, latest technology, and high-quality service, done right!

## ABOUT THE POSITION

The Equity is seeking an Agriculture Technology intern who is pursuing a degree(s) at a four-year college or university with a major in Agronomy, Crop Science, Agriculture Business, Agriculture Technology or related fields. Candidates with strong analytical and technical skills combined with a passion for agriculture should apply.

This internship will provide the opportunity to complete a research project validating the on-farm usage of Ag Technology. Internship experiences will include, but are not limited to:

- Help the sales team understand and deliver value of Equity's branded technology platform known as GO Smart
- Assist GO Smart Manager in collecting planting and application data from growers
- Track field performance of key customers using cutting-edge crop modeling tools
- Obtain FAA Part 107-Remote Pilot certificate to commercially fly drones
- Learn how to utilize geospatial data such as yield, soil, and NDVI imagery
- Hands on experience with ag tech hardware such as planting monitors and drones
- Gain understanding of the agriculture retail business

**Please submit a completed job application and resume stating qualification and experience by email or mail to Ryan Wermert, Agronomy Marketing Director, by November 30, 2023.**
